

**Product Designation :**

GM1040PE

**Product Description**

Flat needled polyester felt

**Application**

Trunk lining, miscellaneous trim applications

**Fiber Composition**

100% polyester fibers

**Product Weight ASTM D 3776-96 Option A**

9.0 ± 0.5 oz./yd<sup>2</sup>

**Width**

As ordered +1,-0 inches

**Breaking Strength ASTM D1682 Grab Method**

75 pounds minimum both directions

**Flammability FMVSS-302**

Will meet requirements on a stand alone basis. If laminated to a substrate must be tested as a composite.

**Pile Height**

N/A

**Pattern type**

N/A
