Webblon[®] regatta[®]

Webblon Regatta[®] from Herculite is a proven waterproof, all-weather boat fabric that's built to withstand the rigors of the marine environment. Boat fabrics must stand up to intense sun and harsh weather without fading, stretching, or fraying, and our waterproof boat fabric is up to the task. Regatta is backed by an industry-leading five year warranty, ensuring that your boat will be protected for years to come.

Width	62 inches
Length	50 yds
Weight	13 oz./yd ²
